

CBLSA

CONCEPT BALUSTRADES SA
(PTY) LTD

Company Profile

Mission Statement

Concept Balustrades SA is a company dedicated to providing world class designs to supplement **Beauty, Style, Safety** and **Security** to your home or business.

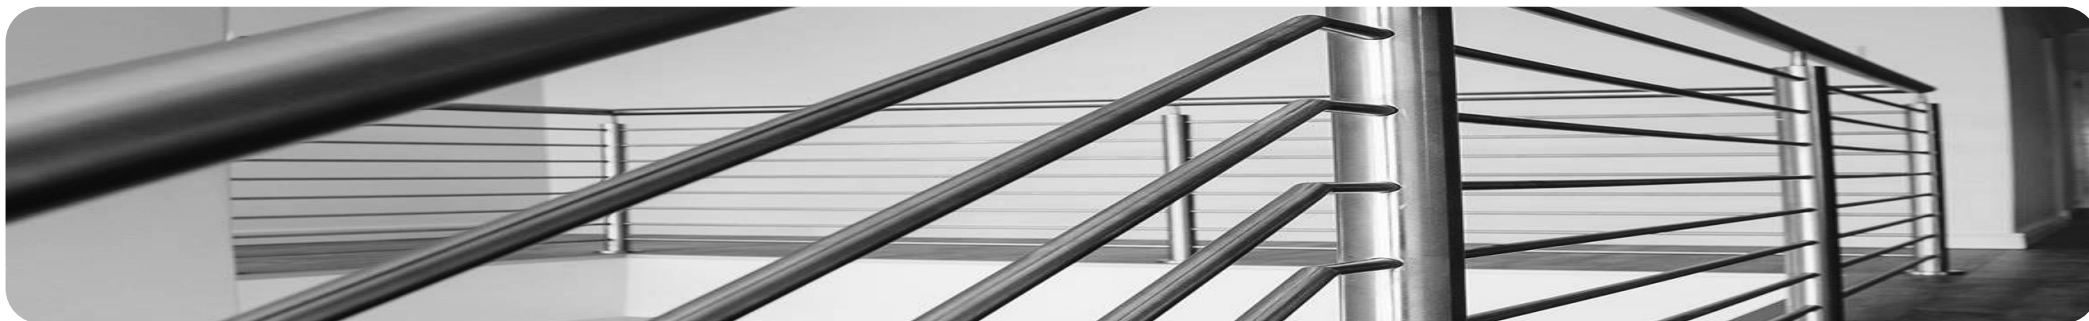

By always encouraging and empowering our employees to advance their skill levels, we can guarantee professional, motivated and friendly service to exceed the customers expectation.

Through hard work and a constant focus on quality control, we provide job satisfaction and fair compensation to all employees and a fair return on investment to our owners.

Company Vision

Concept Balustrades SA aims to become a national player in the small and large, complex and demanding projects in SA. We aspire to become the leader in our field by supplying products of supreme quality and workmanship of the highest standard.

We are striving to become the **No.1 Solution** when it comes to **Service Excellence, High Caliber Work** and **Never Ending Customer Service.**

Company Values

- ✓ We are committed to creating **enduring** and **respectful** relationships with our customers and suppliers.
- ✓ As a company we encourage individual creativity, health and fulfilment in the workplace.
- ✓ We embrace new ideas with a bold and flexible approach and ensure opportunity for all.
- ✓ As a proudly **South African Company** we will only accept projects that are consistent with our values.
- ✓ **Respect, Integrity and Dedication** are the core values of Concept Balustrades SA and its employees.
